

Butterflies

Here is what we did this month

- Celebrated Mother's Day with our moms- what fun!
- "Painted" the playhouse and school building with paint brushes and water
- Played with bubbles, bubbles and more bubbles
- Played outside as much as possible
- We washed cars, bikes and toys
- We made a fire engine out of boxes and had Sparky the Dog be the driver
- The firefighters of Winnetka and officer Buck from Kenilworth came to visit. We sprayed water from the fire hose and went in the police car!
- We talked about "endings" and "new beginnings"

Here is what you should do this summer

- Have lots of fun in the sun!
- Relax!
- Go to the beach or pool!
- Enjoy your childhood! Have lots of free time to just play, imagine and be with your family.

Some of the books we've read and songs we have sung

Donations:

We have so appreciated the books you have donated to our library this year. The children are so proud to have their name in the book, and we are always excited to receive a new book.

Thank you to Ella Swanson for donating the book, Me and You to our classroom in honor of her 4th birthday.

Other newsworthy notes

Many many thanks for a wonderful year! It has been such a pleasure getting to know you and your children. Your support and enthusiasm for what we do has been the BEST!

Goodbye until we meet again!
