

Two's News

October

Here is what we did this month:

We enjoyed talking about the changes we experience outside: leaves turning colors and the weather turning colder. Each week, we discuss weather and dress our "froggy!"

We worked on lots of seasonal crafts, including pumpkin faces, pumpkin murals, and painting ghosts. We even did some science and studied dinosaurs!

We enjoyed our fun Halloween parties in each class...thank you to the moms who brought in goodies!

Some of the books we've read and songs we have sung:

Songs:

"Five Little Pumpkins"

"Sleeping Bunnies"

"Days of the Week"

Books:

"Boo Who?"

"It's Pumpkin Time"

Birthday Books:

Thank you to Caroline Cunningham for "I Spy With My Little Eye;" to Poppy Callahan for "Bedtime Bunnies;" and to Charlie Minahan for "Go, Dog, Go!"

Here is what we will do next month:

We will focus on Thanksgiving and Turkey projects. We will talk about what we are thankful for: who we love, what toys we love, what foods we enjoy (all great things to be thankful for!)

Don't forget! Thanksgiving break is November 21-25!

Other newsworthy notes:

Please bring in slippers for your child to wear at school when they've got wet boots on. We will keep these slippers at school. Also, as our weather gets colder, please dress your child appropriately...coats, hats, mittens.

And please label all articles of clothing with your child's name (slippers, too!) All those snow pants look alike! Thanks!
